

MS 391
Iowa Map Collection
1856-1904
1.66 linear feet, 1 box

History Note

The Iowa Map Collection contains maps which originally appeared in vintage atlases such as Gray's Atlas and Atlas of the State of Iowa. Maps published as single maps are cataloged separately, and are also available in the Department of Special Collections.

Scope and Content Note

The collection contains maps of Iowa dating from 1856-1904. One of the maps (1904) shows the Congressional, Senatorial, Representative, and Judicial Districts of Iowa.

Acquisition

The collection was purchased by the Department of Special Collections in 1995.
