Biographical note

Born in Lamoni, Iowa on August 5, 1896, Arthur Burdette Church received his A.A. (1920) from Graceland College (Lamoni, Iowa), attended Iowa State College (University), and the Dodge Radio and telegraph Institute in Valparaiso, Indiana. In 1914, he established his first experimental radio station in Lamoni, Iowa, 9WU. During World War I, Mr. Church taught radio first at Ft. Leavenworth, Kansas, and later at Camp Meade, Maryland.

After the war, Mr. Church returned to Lamoni and operated 9ZH until 1920 when Dr. Fredrick M. Smith asked Mr. Church to come to Independence, Missouri to establish a radio station for the Reorganized Church of Jesus Christ of Latter Day Saints (AXJ). He also established the Central Radio Company in Kansas City in 1920 and began to establish the radio station WPE, after two years, this became station KFIX, and two years later, in 1924, became KLDS. In 1928, because of Federal Radio Commission requirements, this station became KMBC and was purchased by Midland Broadcasting Company, founded by Mr. Church in 1927.

Mr. Church was also a television and FM radio pioneer, beginning with experimental station W9XAL TV in 1933, which later became KXBY and finally KMBC-TV, he also operated an UHF station, KA2XAQ. In 1941 he had established an experimental station W9XER, an FM station that was to become KMBC FM in 1944. He sold KMBC in 1954 and retired in June of that year.

On June 2, 1918, Arthur married Cicely Ida Case in Lamoni, Iowa, They had three children, Margaret Fay Cicely Church Battison, Virginia Alice Church Morris Peters, and Arthur "Arky" Burdette Church Jr. Church passed away September 22, 1978.
