### Scope and Content Note

This collection contains engravings and lithographs (some hand-colored) as well as photogravures depicting farmsteads and stock farms in Iowa circa 1871-1904. Typically, prints have originally appeared in such vintage atlases as the A. T. Andreas' Illustrated Historical Atlas of the State of Iowa, the Atlas of the State of Iowa, and other publications. Most of the prints have multiple images. The captions for each image are listed as they appear on the print.

### Acquisition

This collection was purchased by the Department of Special Collection in 1995.
